

Industrial Division

Vacant, Chairman

Mission: Provide a forum for manufacturing representatives to network, share information, address issues and explore opportunities for working together.

Goals:

- Build strong relationships between industry leaders and community leaders.
- Build a peer-to-peer network among area manufacturers.

Action Steps:

- Develop plan for revitalization of the Industrial Division.
- Consider coordinating multiple “Plant Tours” for Industrial Division and all Chamber members.
- Select the Industrialist of the Year and present award at Chamber Annual Dinner.
- Invite area plant managers/key personnel to participate with local leaders at CEO Reception and Chairman’s Reception.
- Coordinate, manage and secure sponsors for the Annual Pig Pickin event.
- Explore feasibility of sponsoring a major manufacturing seminar/training event for local companies.
- Update “Made in Henderson County” display.
- Develop manufacturing visitation program to gather information on manufacturing needs and community integration.
